Morning, Mike-

We have 2016 property valuations for all property located in San Juan County for the Hennis Related Entities (HRE). Please note: I only have HRE property information within San Juan County, Colorado.

Suzanne is out for Christmas, but will be back Tuesday next week. Attached to this email is an excel spreadsheet (including PDF version) that lists all properties owned by HREs in San Juan County, which includes the parcel name, HRE, 2016 valuation, Mining District, Source, and Legal Description.

I am also attempting to send you a zip file containing the San Juan County Assessor source documents. If you save the Reference Documents file and the excel spreadsheet into a folder, the hyperlinks should work. If not, I can send you a CD via FedEx. All of this information is public and does not breach our security contract requirements.

Let me know if you are having trouble accessing the San Juan County data.

Best,
Darren

Hi Darren,

From Sisk: "Can we get a list of all the properties and information on those properties that Toeroek provided to the ATP experts?"

FYI: This is needed for on-going litigation/settlement discussions.

Thanks, Mike
